Sealed Deck is a Limited format which is used in this event. Participating players each receive the same amount of unopened booster packs (6) provided at the event. The deck is constructed from only those cards provided plus basic land cards (Plains, Islands, Swamps, Mountains, and Forests). Using own cards brought from elsewhere (except basic land cards) will result in immediate disqualification without refund.

Each player will have 50 minutes when the timer starts to build a deck consisting of minimum 40 cards.

Sideboard for your deck is any of the cards you opened.

Every game is 1v1.

Game duration is 20 minutes. If the players are not finished after the 20 minutes, they will be granted exactly five (5) turns to finish the game. If there is still no winner after the additional five (5) turns, it will count as a draw.
